MOTION FOR A RESPONSE FROM
DEFENDANTS MOTION TO
DISMISS PLAINTIFF CIVIL
CASE COMPLAINT

Dear CATHY SEIBEL,

The Defendants have filed a motion to dismiss towards the [Plaintiff] complaint civil case, then the [Plaintiff] responded with a motion to oppose the Defendants motion to dismiss which was further followed by a secondary motion to dismiss from the Defendants that was court ordered before or on June 10, 2025. All motions were filed by there ordered date by the courts from the Defendants and [Plaintiff] but it has been a whole month without a ruling answer for these mentioned motions or any kind of notice of action in regard toward these motions.

There are a number of motions in line ahead of the motion to dismiss in this case. The Court will get to the motion in due course as its schedule permits. There is nothing more required of Plaintiff at this time.
